

## YOUNG SCHOLARS PROGRAM AT THE ASHOKA UNIVERSITY 2019

### **YOUNG SCHOLARS PROGRAMME 2019** *a unique high school summer programme*

**Programme Dates:** 19<sup>th</sup> to 25<sup>th</sup> of May, 2019

Young Scholars Programme (YSP) is a unique summer programme which introduces high school students to liberal arts education. It is a certified, week-long, residential programme where students are exposed to different disciplines through experiential and hands-on learning.

YSP includes a range of activities including lectures, workshops, discussion groups, project-work, presentations and performances. YSP is for high-calibre school students studying in Class 11 and 12.

With its unique interdisciplinary coursework taught by world-class faculty, this Programme is an excellent introduction to the academic and cultural environment of college life at Ashoka University.

***Campus Facilities:***

With comfortable rooms, fully-equipped common lounges, sports facilities and sprawling lawns, the Ashoka University campus is designed for a vibrant student life. Students can choose from a range of sporting activities including football, frisbee, lawn tennis, basketball, swimming, table tennis, cycling and jogging.
