GRANDPARENTS' Bag of Stories

Dear All,

We hope you had a peaceful and safe Diwali. Keeping up with the festivities this month, we are delighted to host yet another enthralling virtual session with India's most-loved children's author - Ms. Sudha Murty.

Acclaimed author, philanthropist and the Padma Shri award winner, Ms. Murty has delighted us with her heart-touching Indian stories over the years that come packed with nostalgia for the older readers and sweet familiarity for the younger audiences. Following the trail of the best-selling Grandma's Bag of Stories, 'Grandparents' Bag of Stories' is another gem in this collection of immortal tales that she fondly created during the lockdown period for readers to seek comfort and find the magic in sharing and caring for others.

Stories told by grandparents are often the ones that are most fondly remembered and cherished through the years. Join us as we interact with the author to know more about her latest book, which is sure to be a heartwarming addition to your bookshelf.

Date: 25th November

Time: 4 PM

Age: 8+

All participants get an author-signed copy of the book.

The session is now open for registration. We request you to circulate this information amongst parents and teachers to enable bookings at the earliest. The link is given below:
