

## **Paani Eco's Planeteers Workshop for Students of Classes VII-IX**

Dear Parent,

The team of Paani Foundation is organising an exciting and inspiring 4-session workshop on environment with the name **Paani Eco's Planeteers Workshop** for the students of age-group 12 to 14 years.

These sessions could be a wonderful opportunity to discover nature's wonders and be a part of the fight against climate change for our students! It is an optional programme and would include fun activities, films and discussions for students.

*The fee for the entire workshop is Rs. 400 only (inclusive of all taxes) and the first batch begins on Monday, June 21, 2021.*

The interested parents could sign up by visiting the link: [www.paanieco.in](http://www.paanieco.in)!
